4279 STATE ROUTE 104, NEW HAVEN, NY 13121

To whom it may concern,

I am Nathan Grey, I have been a resident of New haven since 2002 and I am interested in obtaining a position on the New Haven Town planning board as an alternate or permanent position. I live north of NY State Route 104b on County Route. 6 I am very interested in preserving New Haven's deep routed agricultural history. I have 10 years masonry experience, 15 years experience with mechanical repair work along with welding and machinist experience. My overall goal of joining New Haven Town planning board is to keep the Town I live in and raise my family in safe and preserve the future of the town for my children.

,SINCERELY,

NATHAN T. GREY
