

Town of New Haven
November 16, 2021–Board Meeting

1. Water Service Area #9

- a. We are working through the Water Infrastructure Improvement Act (WIIA) grant program application in an effort to reduce costs and expect to submit soon. This very competitive program could fund up to 60% of the non-grant funding already received by the project. (Another \$1,570,000 in grant money potential). We would hope to hear from this program during mid to late winter.
- b. We have responded to the NYSDEC and ACOE comments on the freshwater wetland permitting. We will continue to follow up with these agencies until the permit process is complete.
- c. All necessary easements have been obtained.
